

A close-up photograph of a cluster of purple flowers, likely chrysanthemums, with many small, delicate petals. The flowers are in sharp focus in the foreground, while others in the background are blurred. The background is a soft, out-of-focus green, suggesting a garden or nursery setting.

Mill
Lane
Nurseries

Welcome to our 2021 plant list, we hope this gives you a good idea of what you can expect to find at Mill Lane Nurseries this season.

As things are slowly returning to normal we are anticipating a more familiar season this year, as a result we will be producing our normal range of plants and hanging baskets.

As we will be open as normal this year unfortunately this means we cannot offer a 'click and collect' service, basket orders will continue as normal and delivery can be arranged for larger orders.

Best wishes, Vicky and Stuart.
